Subject: Class Rules Changes Proposals for the 2007 meeting

Deed of Gift Commodore Hub E. Isaacks Trophy

General Proposal: Increase the number of entries in the Snipe Worlds using a more technical criteria, instead of using only the average number of registered boats per country one.

Proposal 1 – Include four entries for the South American and North American champions and vice champions (each repetition shall cancel onw of these entries).

Propose 2 – Include an additional entry for each boat in the top 5 position in the last world championship. These additional entries will belong to the country and not to the skipper.

Restrictions and Measurements.

Proposal 3 – Change the class rules to allow spectra lines in the jib stay and jib halyard.

Proposal 4 – Change the class rules to allow the elastic line, used to remove slack in the jib stay, be attached anywhere to the hull.
