Dear Blu;

It is with pleasure that we inform you that the bid for the 2010 Snipe World Master Championship regatta has been approved by the SCIRA Board of Directors with preference for the February date.

The bid is in the SCIRA office and we will work with the National Secretary, local organizers and fleet captain in preparing for this major regatta. Please inform your Federation immediately of this regatta so they may be aware.

Thank you again for Brazil supporting Snipe racing on the world scale. We look forward to a successful regatta in 2010!

Best regards,

Jerelyn Biehl
Executive Director
